ADDITIONAL INFORMATION:

"Amanda Bernstein is quite simply an outstanding Production Designer. Whether it's a whole street (Pompeii – The Last Day – EMMY winning) or a cramped cell with flying walls (Nuremberg – Goering's Last Stand – BAFTA winning) her attention to detail has been truly amazing. Her teams are always a delight to work with and what you get is quality, but she also understands the limits of our budgets and can magically work wonders on a shoestring. Employ her she's fantastic!" Director Peter Nicholson
